

Plasticulture '09

We Need to Hear From You!

Your Sponsorship

Will Make a Difference!

The 35th National Agricultural Plastics Congress Monday, July 13 to Thursday, July 16, 2009 – State College, Pennsylvania

The American Society for Plasticulture relies on your financial support to insure that registration fees for the Congress can be kept within reach of the ever-tightening budgets of academic, extension, and industry attendees. Your sponsorship enables more people to attend the Congress, which provides you greater opportunity for one-on-one contact with these top caliber specialists in plasticulture. When these great minds meet at the Congress, innovation follows.

**Meeting Sponsorship is an Effective Opportunity for You to
Champion Research and Innovation in Plasticulture.**

You are already aware that much of the cutting edge research on the use of plastics in agriculture and horticulture takes place at colleges and universities. Forward-thinking manufacturers and suppliers of ag plastics know that **Plasticulture '09** is the premier opportunity to connect with research faculty from throughout the world and understand that by sponsoring the Congress they are supporting work that will have long-term benefits. The Congress is also the place to gather input from extension professionals who work closely with growers involved in greenhouse and field production of vegetable crops, fruit crops, and ornamentals.

At Plasticulture '09 your General Meeting contribution as a Gold, Silver or Bronze Sponsor can support the entire Congress.

All sponsors will be thanked and acknowledged in these ways:

- 1/ Recognition in printed materials distributed to each attendee, which will include descriptive information about the products/services offered by your company.
- 2/ Recognition in the *Proceedings*, a permanent record of the Congress that is distributed at the Congress, provided to all ASP members, and made available to the public after the Congress.
- 3/ Recognition on the ASP website as part of a listing of all sponsors with a direct link to your company website.
- 4/ Special ribbons on your name badge at the Congress so other attendees are aware of your level of support.
- 5/ Signage at the Congress with your company's name and level of sponsorship.

In addition,

- Gold level sponsors receive one complimentary registration for the Congress.
- Silver level sponsors will receive a \$100 discount on registration for the Congress.

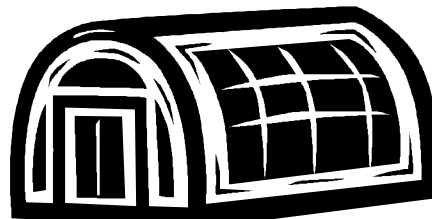

You will play an outstanding role in the future of ag plastics through support of **Plasticulture '09**. Your sponsorship and participation will insure that an ever growing number of research and education professionals can share in this one-of-a-kind opportunity. Return the attached Sponsorship Agreement and add your company to the list of sponsors at in the Congress pages at www.plasticulture.org.
