

Membership Application

By joining the American Society for Plasticulture, you lend your support to an organization that is dedicated to bringing together the world's best resources for the use of plastics in agriculture and horticulture. Membership entitles you to a registration discount for the National Agricultural Plastics Congress. All members also receive a copy of Congress proceedings on CD, other ASP email bulletins, a listing on the ASP website, and access to the Discussion Forums that connect you with the most prominent leaders in plasticulture.

Membership Categories

Fees are stated in and must be paid in US dollars.

Individual Member -- People involved in research and/or education in institutions or government; Extension professionals; and individual growers.

- \$100 for USA, Canada & Mexico
- \$125 for other countries

Business Partner -- Sole proprietorships, partnerships, and corporations involved in the manufacture and/or distribution of plastic products; or providing services and/or products to those involved in plasticulture production. The primary contact listed below and all employees of the company are entitled to member discounted Congress registration fees. All Business Partners receive a linked listing on the ASP website.

- \$350 for USA and all other countries

Name _____

Position/Title _____

Company or Institution _____

Mailing Address _____

City _____ State _____ Country _____ Postal Code _____

PLASTICS INTEREST/SPECIALTY:

To make your listing complete, please provide details.

- Additives/Stabilizers for Plastics
- Agronomics
- Drip Irrigation
- Drip/Trickle Fertilization
- Fumigants
- Fertilizers/Ag Chemicals
- Greenhouse Production
- Green Roof Technology
- Food Packaging
- High Tunnels
- Hydroponics
- Low Tunnels
- Mulch Film
- Other Films
- Phytomation Systems
- Plant Protection Systems
- Plastics Disposal/Recycling
- Row Covers
- Soil Fertility
- Soil Solarization
- Other -- _____
